VIRGINIA DEPARTMENT OF
SOCIAL SERVICES

August 2011

Dear Early Childhood Professionals:

Research tells us that the **knowledge and skills of the child care workforce have the most positive impact on the quality level of a child care program**, whether it's center-based or home-based. Virginia is developing the system infrastructure needed to support a stronger, more highly qualified child care professional workforce, and in fact, continues to pilot a quality rating and improvement system, which validates the importance of education, qualifications and training.

Some highlights of the **NEW Virginia Early Childhood Development and School-Age Professional Development System** include the following:

- **Virginia's Early Childhood Development and School-Age Care Professional Development Registry** – Child care professionals will be able to access this registry, enter their education and training activities, have the information validated and mapped to Virginia's Career Lattice (www.dss.virginia.gov/family/cc/professionals_resources.cgi), obtain a comprehensive record of their verified education and training history, and receive a Registry Certificate that can be used to market themselves for employment.
- **Virginia Department of Social Services Quality Assurance for Approved Training Courses** – Standard criteria are being developed to ensure that state-approved trainings are of high quality and address the Virginia *Competencies for Early Childhood Professionals* (www.dss.virginia.gov/family/cc/professionals_resources.cgi). VDSS-approved training will be monitored and evaluated based on delivery performance and other factors. Curricula will be available for state-approved trainers and training will become market-driven and need-based.
- **Increased collaboration and sharing of resources** across early childhood sectors and organizations (i.e., Home Visiting Consortium; Early Intervention; state agencies for education, social services and health; Project Child HANDS; higher education; non-profit organizations; and others).

NEW courses this semester include:

- **24 NEW classroom-based Early Childhood Endorsement courses** that will expand and enhance the Early Childhood Endorsements, as well as the **ALL-NEW School-Age Child Care Endorsement courses!** The early childhood courses may be used toward the required training needed for the Child Development Associate (CDA) credential (pages 7-9).
- Improved access to training with the addition of **53 online Early Childhood and School-Age Endorsement courses** with "anytime" access and automatic certificates upon successful completion of the course. This will help reduce the last minute scramble to find a course being held in time to meet Licensing and/or Subsidy requirements, as well as allowing participants to access training based on their individual needs and schedules (pages 7-9).
- An evidence-based course called **AI's Caring Pals**, offered in partnership with the Virginia Child Care Resource and Referral Network (VACCRRN) for home-based child care providers who work with children ages 3 to 8. This course provides strategies to teach children about self-control, conflict resolution, and problem-solving and includes a **wonderful FREE teacher resource kit** (page 14).
- A **4-hour classroom course entitled Preschool Cognitive Activities: Making Learning Fun!** that includes research-based strategies and activities that providers can use to facilitate the cognitive development of children (page 30).

A NEW resource:

- Under a partnership through the Child Care and Youth Training and Technical Assistance Program with the National Association of Child Care Resource and Referral Agencies' Military Child Care Liaison, **Penn State University is offering all of their Better Kid Care online courses free of charge** for early care and education professionals in Virginia. Courses may be used toward the CDA formal education requirements and are approved for Penn State University's Continuing Education Units (CEUs). Take advantage of this opportunity to dust-off your computer skills and complete the required training. Additional information and resources are provided on page 39.

It is exciting to see all of the great work taking place in Virginia to provide better education opportunities and a more organized system of professional development for child care professionals in the state. It is in your best interest to maintain your knowledge base in early childhood development and/or school-age care and education, keep up with new best practices research, and perfect your teaching strategies. Don't be left behind in the dramatic changes coming down the pike for this profession. Join us as we enhance the quality and expand the opportunities VDSS provides to support your continued growth and professional development.

Thank you for your motivation to improve your skills and join the best qualified early childhood development and school-age care and education professionals in Virginia!

Sincerely,

Kathy D. Gillikin, Quality Child Care Program Manager
Division of Child Care and Early Childhood Development

VDSS Mission:

People helping people triumph over poverty, abuse and neglect to shape strong futures
for themselves, their families and communities.

- **Be on time.** Review directions and a map in advance to avoid getting lost. Clock hours will be reduced on the training certificate if you arrive late or leave early.
- Children are **NOT** allowed at VDSS classes. Participants bringing children will not be admitted.

REFUNDS

Participants may withdraw up to five business days before the class is scheduled to begin and receive a refund. No refunds are provided after this time. **To withdraw from a class, you must notify CCWA in writing.** Refund checks come from the Virginia State Treasury office and generally **will take six weeks to process.**

CANCELLED CLASSES

Each class is offered on the condition of adequate enrollment; VDSS and CCWA reserve the right to cancel or discontinue any class because of low enrollment or for other reasons deemed sufficient. VDSS and CCWA reserve the right to make the necessary changes in this schedule that may be dictated by enrollment, personnel requirements, or availability of facilities. **If a class is cancelled by VDSS or CCWA, a credit will be issued toward a future class.**

CONTINUING EDUCATION UNITS (CEU)s

In addition to the clock hours you will earn for each class, all VDSS early/school-age care and education professional classes now offer CEUs. The number of CEUs awarded depends upon successful class completion and varies according to class length. 0.1 CEU is awarded for each hour of actual instruction (e.g., a 4-hour class = 0.4 CEUs).

The Community College Workforce Alliance (CCWA) is a partnership between J. Sargeant Reynolds Community College and John Tyler Community College to serve the workforce and economic development needs of the region.

Virginia Department of Social Services (VDSS) Early Childhood Endorsement Program (ECEP)

GREAT NEWS! VDSS EARLY CHILDHOOD ENDORSEMENT PROGRAM IS EXPANDING!

The VDSS Early Childhood Endorsement Program is expanding! In addition to the previously offered courses, **25 all-new classroom-based and online courses** have been developed to provide enhanced professional development opportunities for early childhood professionals in Virginia.

The Early Childhood Endorsement Program now offers four endorsements:

1. Infant and Toddler Endorsement
(for professionals working with infants and toddlers)
2. Preschool Endorsement
(for professionals working with preschool children)
3. Early Childhood Endorsement I (for professionals working with infants, toddlers, and preschool children)
4. Early Childhood Endorsement II (for professionals working with infants, toddlers, and preschool children)

All of the Endorsements can be valuable as:

1. Entry-level credentials for employment in the field of early childhood
2. Demonstration of basic knowledge in working with infants, toddlers, and preschool children
3. Supplements to a child-related degree or credential that does not include instruction on infants, toddlers, or preschool children
4. Supplements to a degree or credential outside the field of early childhood

Additionally, successful completion of courses for the Endorsements can fulfill professional development options for teaching licensure renewal requirements, annual licensing requirements, and professional development options for early childhood professionals participating in Virginia's Star Quality Initiative Program. The courses can also be used to meet the training requirements for the **Child Development Associate (CDA)** credential.

Participants have two options by which to achieve an Endorsement:

1. Successful completion of the required VDSS-sponsored classroom-based or online courses as outlined on page 8
2. Successful completion of the required college credit courses offered by the Virginia Community College System outlined below:
 - Infant and Toddler Endorsement –
CHD 166 Infant and Toddler Programs
 - Preschool Endorsement –
CHD 120 Introduction to Early Childhood Education
 - Early Childhood Endorsement I –
CHD 145 Teaching Art, Music and Movement to Children
 - Early Childhood Endorsement II –
EDU 235 Health, Safety and Nutrition Education

OPTION 1 – PARTICIPATION VIA COMPLETION OF VDSS-SPONSORED COURSES

Individuals who wish to obtain either of the Endorsements must:

- Register to attend the component courses outlined on page 8 (classroom-based or online)
- Complete all required courses
- Complete all assessments and submit to VDSS for grading
- Achieve a passing score of 70% or higher to receive either of the Endorsements

OPTION 2 – PARTICIPATION VIA COMPLETION OF COLLEGE CREDIT COURSES

Upon successful completion of the appropriate college credit course as noted above, participants are eligible to apply for the corresponding VDSS Endorsement. Individuals who wish to apply for either Endorsement based upon completion of college credit courses must:

- Complete the application (available at www.dss.virginia.gov/family/cc/professionals_resources.cgi)
- Enclose a copy of the college transcript or Letter of Completion from your instructor
- Submit application, transcript or letter, and processing fee for each endorsement requested to VDSS.

COURSE REQUIREMENTS FOR EACH VDSS ENDORSEMENT

Infant and Toddler Endorsement

The Infant and Toddler Endorsement requires completion of the following 12 classroom-based or online courses. Successful completion of each course provides 4 clock hours of training credit. The courses can be taken in any sequence.

- Ages and Stages of Development for Infants and Toddlers

COMING SOON! PROFESSIONAL DEVELOPMENT REGISTRY FOR THE EARLY CHILDHOOD AND SCHOOL-AGE CHILD CARE PROFESSION

Virginia is one of a few states that do not currently have a statewide professional development registry.

A professional development registry is a tool used by the early childhood development and school-age care profession to:

- promote professional growth and development,
- gather and maintain core data, e.g., training and education, regarding providers and trainers and the training offered to providers,
- place individuals on one of the Career Lattice Step levels based on verified education and training information,
- recognize and honor professional achievements of early childhood development and school-age care professionals, and
- inform policy makers and partners, e.g., by tracking the impact of public and private investments in quality supports to child care programs.

Why join the registry?

- The registry tracks professional education and development (for all training) and provides a pathway (career lattice placement based on education and training) for child care providers who wish to advance in their career;
- Since education and training is verified by registry staff through submission of proper documentation (e.g., college transcripts, training certificates, etc.), a staff professional development record, which will be developed for each registry member, could potentially be used to verify compliance with licensing, accreditation, Virginia Star Quality Initiative, and credentialing requirements;
- The registry can assist individuals and program directors in professional development planning;
- The registry will help provide data on Virginia's early childhood and school-age care profession - data that we really haven't had access to in the past;
- The registry will provide recognition for providers' training and education by providing a Registry Certificate that can be posted and/or shared with employers and/or parents;
- The registry will have a trainer and training approval component, which will assist providers in finding quality trainers and training;
- The registry will be Web-based and will provide access to a variety of helpful resources and information, including a resume builder, links to useful resources, information updates, frequently asked questions, etc.

School-Age Child Care Endorsement

ALL-NEW SCHOOL-AGE CHILD CARE ENDORSEMENT!

Virginia Department of Social Services Division of Child Care and Early Childhood Development announces the ALL-NEW School-Age Child Care Endorsement! This endorsement is designed to provide basic knowledge for working with children 5 to 12 years old in any school-age child care program (e.g., before/after care, summer child care, family day home). Twelve all-new classroom-based and online courses have been developed to provide high quality training for school-age child care professionals in Virginia.

The VDSS School-Age Endorsement can be valuable as:

- Entry-level credential for employment in the field of school-age child care
- Demonstration of basic knowledge in working with children 5 to 12
- Supplement to a child-related degree or credential that does not include instruction on working with school-age children in a child care setting
- Supplement to a degree or credential outside the field of school-age child care

Additionally, completion of classes for the School-Age Child Care Endorsement can be used toward compliance with annual VDSS licensing requirements.

Individuals who wish to obtain the VDSS School-Age Child Care Endorsement must:

- Register to attend the component courses outlined below
- Complete all required courses
- Complete all assessments and submit to VDSS for grading
- Achieve a passing score of 70% or higher to receive the School-Age Child Care Endorsement

The School-Age Child Care Endorsement requires successful completion of the following 12 classroom-based or online courses. Successful completion of each course provides 4 clock hours of training credit. The courses can be taken in any sequence.

- Ages & Stages of Development for School-Age Children 5 to 8
- Ages and Stages of Development for School-Age Children 9 to 12
- Child Abuse and Neglect: Recognition and Reporting for School-Age Children
- Clubs and Special Interest Groups for School-Age Children

ALL-NEW ONLINE TRAINING COURSES FOR EARLY CHILDHOOD AND SCHOOL-AGE CHILD CARE PROFESSIONALS!

The Virginia Department of Social Services Division of Child Care and Early Childhood Development announces the development of 55 online training courses available in Fall 2011. In addition to the availability of classroom-based courses, all courses for the Early Childhood and School-Age Endorsements (pp. 7-9) will be available **ONLINE**. Registration for the online courses follows the same procedures as registration for classroom-based courses (pp. 1-4).

Online training offers these benefits:

- Access to training without restrictions on time or location and based on individual needs and schedules
- Eliminates and reduces the total amount of time needed for training and training-related travel
- Allows participants to progress through training at their own pace – exiting courses, if needed and returning to where they left off for completion
- Ensures clear, consistent and instructionally-sound training that is interactive and promotes a deeper understanding of content
- Allows participants to verify their understanding of the information presented through Knowledge Checks
- Earning a Certificate of Completion upon successfully completing each course
- Presents additional resources to advance learning and professional development
- Access to courses as reference material for a period of time after completion

MAT Requirements for Licensed and Regulated Child Day Programs

Code of Virginia

Drug Control Act CHAPTER 34.

§ 54.1-3408. Professional use by practitioners.

O. In addition, this section shall not prevent the administration of drugs by a person to a child in a child day program as defined in § 63.2-100 and regulated by the State Board of Social Services, the Child Day Care Council, or a local government pursuant to § 15.2-914, provided such person (i) has satisfactorily completed a training program for this purpose approved by the Board of Nursing and taught by a registered nurse, licensed practical nurse, doctor of medicine or osteopathic medicine, or pharmacist; (ii) has obtained written authorization from a parent or guardian; (iii) administers drugs only to the child identified on the prescription label in accordance with the prescriber's instructions pertaining to dosage, frequency, and manner of administration; and (iv) administers only those drugs that were dispensed from a pharmacy and maintained in the original, labeled container that would normally be administered by a parent or guardian to the child.

Standards for Licensed Child Day Centers and Standards for Licensed Family Day Homes

The regulations for licensed child day centers and family day homes contain a standard that goes beyond the requirements of the law and require medication administration training for anyone who administers prescription AND non-prescription medications.

CHILD DAY PROGRAMS	MEDICATION ADMINISTRATION TRAINING
Child day centers (licensed)	Training required for administration of Prescription and Non-Prescription medications
Family day homes (licensed)	Training required for administration of Prescription and Non-Prescription medications
Religiously exempt child day centers (regulated)	Training required only for administration of Prescription medications
Voluntarily registered family day homes (regulated)	Training required only for administration of Prescription medications
Family day homes approved by a (licensed) Family Day System	Training required only for administration of Prescription medications
Certified preschools (regulated)	Training required only for administration of Prescription medications
Local ordinance approved family day homes	Training required only for administration of Prescription medications

Important Information

- **Get Answers to MAT Training Questions** – For answers to questions about MAT training, including MAT curriculum content, MAT procedures/processes, MAT or PMAT classes, MAT recertification, MAT/PMAT training certificates, approved MAT trainers, etc., contact **Medical Home Plus (MHP)** at: MAT@medhomeplus.org. MHP administers and manages the MAT Program under contract with VDSS.
- **Best Practice** – The Medication Administration Training for Child Day Programs teaches BEST PRACTICE and covers the administration of all medications, both prescription and non-prescription.
- **MAT Recertification** – MAT Certification is valid for three (3) years from the issue date indicated on the MAT Certificate. Providers and/or staff members must be recertified **prior to the date the certificate expires** in order to continue to administer medication to children in a child day program.
- **Two Options for Completing the MAT Course:**
 - **Classroom-based** – Providers may choose to complete the MAT course in a classroom setting with an approved MAT Trainer. Providers must attend the entire class and successfully pass the written and skills competencies. **Class size is limited to 8 participants.**
 - **Independent Study** – Providers may choose to complete the MAT course by independent study. The MAT Independent Study is made up of two parts. Part One is a self-paced, online review of the MAT course content using MAT course handouts, video segments and independent exercises. Part Two consists of hands-on practice time and testing with an approved MAT Trainer. Providers must successfully pass the written test and skills competencies. **Class size for Part Two of the MAT Independent Study is limited to 4 participants.** For more information on the MAT Independent Study visit: www.medhomeplus.org/MAT/index.php, scroll to MAT Independent Study for Child Day Programs in Virginia and click on the link to the instructions.
- **Find a MAT or PMAT Class** – To find scheduled Medication Administration Training (MAT) and Pre-Medication Administration Training (PMAT) classes, visit the VDSS website at: www.dss.virginia.gov/family/cc_providertrain/tips.cgi, scroll through the class listings. Be sure to contact the class sponsor for class details or registration information.
- **Find/Contact an Approved MAT Trainer** – To find/contact an approved Medication Administration Training (MAT) trainer, visit the Medical Home Plus website at: www.medhomeplus.org/MAT/index.php, under (MAT) Medication Administration Training, scroll to Find a MAT Trainer Near You.

Length: 4 hours; 9:00 am – 1:00 pm

Fee: \$20

Target Audience: Providers who work with infants and toddlers, and preschool children

Overview: This course will identify the importance of building on each young child's strengths in early care and education programs. Participants will explore the multifaceted approach to individualization by evaluating room environments, daily schedules, teacher-child interactions and observation and assessment. Specific modifications for children with autism and developmental delay will be addressed.

Objectives:

- Discuss current attitudes about inclusion.
- Share personal experiences about inclusion.
- Define inclusion and give the benefits.
- Define "ongoing cycle of individualization."
- Discuss individualization and ways to implement for all children in the early childhood classroom.
- Identify possible teaching strategies to utilize in different learning centers.
- Discuss the role of parents with individualization in the classroom.
- Review the components of the curriculum that support individualization.
- Explore ways to individualize within the daily schedule.
- Discuss the rewards of individualization within the early care childhood classroom.
- Identify national, state and local resources to aid efforts to support all children through individualization.

CHLD 2058 Incorporating Creativity into Early Childhood Curricula

Length: 4 hours; 9:00 am to 1:00 pm
Fee: \$20
Target Audience: Providers who work with infants, toddlers, and preschool children

Overview: This course focuses on how the curriculum that encourages creativity the most in young children is an integrated, whole curriculum. In an integrated curriculum the artificial divisions among content areas are reduced. In an integrated curriculum the children are able to experience learning as a whole. Any curriculum can be infused with creative activities that stimulate and motivate children to want to learn.

Management of Injuries & Acute Illness in Early Childhood

Length: 4 hours; 9:00 am to 1:00 pm

Fee: \$20

Target Audience: Providers who work with infants, toddlers, and preschool children

Overview: This course will examine the difference between emergency care and first aid. A review of the ABCs for assessing emergencies will be conducted. The teacher's role and responsibilities as they relate to management of unintentional injuries and acute illness will be discussed. The licensing regulations related to safety and illness issues will also be reviewed.

Movin' & Groovin': Using Movement to Help Young Children Learn

Length: 4 hours; 9:00 am to 1:00 pm

Fee: \$20

Target Audience: Providers who work with infants, toddlers, and preschool children

Overview: This course will focus on how young children seem to be in constant motion and how teachers of young children can use that propensity for motion to facilitate learning. Participants will learn how movement activities combine this natural inclination with activities that stretch their imaginations, exercise muscles, contribute to the formation of spatial and temporal concepts, and build respect for the uniqueness and ideas of others. Movement reinforces musical beat.

CHLD 2076 Observation & Recording of School-Age Children

Length: 4 hours; 9:00 am – 1:00 pm
Fee: \$20
Target Audience: Providers who work with school-age children

Overview: This course addresses tools that school-age program providers can use when documenting children's activities and behaviors. Each tool can be used in a variety of environments, and each can be especially useful in before and after school programs. This class also explores the importance of documenting children's activities, their progress and certain behaviors in order to individualize strategies for each child. Participants will learn how to analyze and plan appropriate activities that will enhance each child's development during their formative years.

Objectives:

- Discuss why observation and recording information about school-age children is critical to supporting planning and teaching strategies.
- Acknowledge the role the observation process plays when developing activities for small group and large group activities.
- Analyze the cyclical nature of planning and offering activities, observing children's actions and learning processes, documenting results, and evaluating for future lessons and activities.
- Identify several observational tools and describe appropriate ways to use each tool.
- Recognize that each observational tool can be used in various settings and discern when each tool can be used effectively.
- Identify how personal biases affect providers' interpretation of children's behaviors and children's progress.

CHLD 2081 Planning Appropriate Activities for School-Age Children

Length: 4 hours; 9:00 am – 1:00 pm
Fee: \$20
Target Audience: Providers who work with school-age children

Overview: This course is designed to provide an overview of the physical, social-emotional, and cognitive developmental characteristics of school-age children and how learning about each child in the program is instrumental in providing a wide variety of activities and projects that will motivate school-age children to participate. This course provides the participant with experiences to plan appropriate activities for school-age children for stand-alone activities and thematic projects and activities. It presents information related to normal growth and development and how this development is impacted and enhanced by program activities. This course also presents information and strategies to enable participants to plan meaningful activities for and with school-age children, ages 5 to 12, to enrich and extend learning experiences.

CHLD 2049 Preschool Cognitive Activities

Length: 4 hours; 9:00 am to 1:00 pm

Fee: \$20

Target Audience: Providers who work with preschool children

Overview: Participants will learn ways to facilitate preschool children's brain development related to reading, math, critical thinking, creativity and much more. An overview of preschool cognitive development milestones will be reviewed. The course gives providers practical, fun, easy-to-do, developmentally-sound activities to help incorporate learning into all phases of their preschool curriculum. Participants will get to make learning games out of recyclable materials that they can use in their classrooms to help their children's minds develop. Areas of cognitive development that will be covered include: language, recognition of same and different, pre-reading and reading, counting, pre-math and math concepts, imagination, creative thinking, and problem-solving. In addition, how skills progress from beginning steps to advanced as children gain new skills will be reviewed. Also, using short periods of time productively to build needed cognitive skills, plus helping children use their energy in appropriate ways will be discussed.

What to Bring:

- Egg carton – clean and empty (i.e. Styrofoam, cardboard, colorful)
- 1 Permanent Marker - black, brown or navy blue work best.
- Scissors – for cutting egg carton and cardboard – pointed ones work best.
- 1 (or more) 4" X 6" index card (or substitute used cereal box or cardboard box)
- 1 package of spring-opening wooden clothes pins. (Used clothes pins are fine too.)
- The more you bring the more projects can be made within allotted time.
- Plastic bag – to take home your creations.

CHLD 2086 Preventing Injuries in the School-Age Environment

Length: 4 hours; 9:00 am to 1:00 pm
Fee: \$20
Target Audience: Providers who work with school-age children

Overview: This course will raise awareness about keeping the child care environment safe and ensuring active supervision for children, including preventing falls, burns, choking, suffocation, strangulation and injuries related to products, toys, furniture, water, transportation and pedestrian injuries. Information that is required by the Standards for Licensed Child Day Centers and Family Day Homes with Interpretation Guidelines on safety and injury prevention in the child care environment will be included.

Objectives:

- Explain why children are particularly at-risk for injury.
- Describe the leading causes of unintentional injury and injury-related deaths in children ages 0 to 14 in Virginia.
- Explain the components of active supervision.
- Identify and resolve important safety hazards in the child care environment.
- Describe the process for determining whether a product has been recalled and list the steps to take if an item/object has been recalled.
- Identify safe toys appropriate for various age groups.
- Design a policy related to keeping children safe in the child care environment.
- Identify important safety resources and use them to help make the child care environment safer for children.

CHLD 2051 Promoting Creativity & Including All Children

Length: 4 hours; 9:00 am to 1:00 pm
Fee: \$20
Target Audience: Providers who work with infants, toddlers and preschool children

Overview: This course addresses how young children need knowledge and skills to express their creative potential. Thus, an important goal for the early childhood teacher is to provide an adequate base of knowledge and skills for children, while at the same time providing an environment that encourages creative thinking in the use of the knowledge and skills. During the course participants will examine how any curriculum can be modified to promote creativity and how all children can be included. By observing and recording information about each child's knowledge base and interests, the teacher can plan activities that stimulate and encourage creativity.

Length: 4 hours; 9:00 am to 1:00 pm
Fee: \$20
Target Audience: Providers who work with infants, toddlers, and preschool children

Overview: This course addresses how young children use three dimensional media to produce artwork that has depth, height, and solidity in addition to color and shape. Just like graphic arts, three dimensional projects can be abstract or representational. Play dough and clay, collage, and woodworking are examples of three dimensional activities that will be examined in the course.

Length: 4 hours; 9:00 am to 1:00 pm
Fee: \$20
Target Audience: Providers who work with infants, toddlers, and preschool children

Overview: This course focuses on how young children, as they move from scribbles to gradually more representational depictions, most commonly create these pictures through graphic art media. Such graphic art is not only a form of creative expression, which gives the teacher insight into children's thinking, but also is a child's first step toward writing. Participants will examine graphic arts in terms of drawing, printing, and printmaking using various materials.

Additional Educational Opportunities

Distance Learning

READ-A-BOOK PROGRAM

This program is administered and managed by the Virginia Child Care Resource and Referral Network (VACCRRN) under contract with VDSS.

This distance learning self-study program allows early childhood professionals to earn credit for training clock hours by reading children's literature and books on early childhood education and child development. The Division of Child Care and Early Childhood Development, a part of the Virginia Department of Social Services, collaborated with the Library of Virginia to place sets of books in each of the 350 public libraries across Virginia. The Read-A-Book Program focuses on the importance of incorporating children's literature across the curriculum, reading to and with young children daily, understanding early brain development, fostering language and literacy development, and communicating successfully with young children. This program currently offers two book report options for obtaining credit for training clock hours. You are encouraged to choose one or both to receive credit. You may read and report on more than one book, and be eligible to receive credit for training clock hours for each new book report submitted to the Virginia Child Care Resource and Referral Network (VACCRRN) for grading. All book report materials are free when accessed electronically. A \$20.00 processing fee will be due when you submit materials for grading.

Option 1: Reading Children's Literature Books with Children

Option 1 requires you to read two children's literature books to your children and then develop a book report for each book that describes the activities and projects you developed to support the story or theme of the book. You may choose from the infant and toddler books placed in each public library in Virginia (titles listed on page 6 of the Read-A-Book Program booklet), or you may choose to use two of your favorite children's books.

Option 2: Reading Professional Books

Option 2 requires you to read one of the professional books listed in the Read-A-Book Program booklet on page 3, and then complete the corresponding book report. Each Virginia public library has at least one copy of the professional development books listed in the Read-A-Book Program booklet.

To Participate in Either Option

- Download and print the Read-A-Book Program booklet, which includes book lists, instructions, and all forms required for participation in Option 1, and the list of professional development books and special instructions to participate in Option 2, by visiting the VDSS website at: www.dss.virginia.gov/family/cc/readbook.cgi, or the VACCRRN website at: www.vachildcare.org, **OR**

VIDEO TRAINING SERIES

The Virginia Department of Social Services (VDSS) offers two video-based training programs with study guides and testing materials. These programs are self-paced and child care professionals may earn four, six, or eight clock hours of training credit upon successful completion of the assessment materials.

To Participate

Child care professionals borrow the DVDs/videotapes and receive copies of the study guides and test materials from one of the eight regional licensing offices listed below. There is no cost for the study guides or testing materials. A twenty dollar (\$20.00) processing fee per person is charged when submitting the completed assessments for grading. A ten dollar (\$10.00) processing fee per person is charged if it becomes necessary to re-take an assessment.

To apply to receive credit for participation in either video series, each individual must complete the assessment materials for each program. Individuals must receive a passing grade to be awarded credit for training clock hours. Detailed instructions for participation are included with each study guide.

1 – DSS 101 - The Whole Child - A Caregiver's Guide to the First Five Years (TWC) is a video series production developed by WTVS Detroit and the Merrill-Palmer Institute at Wayne State University in 1998. It is based on the textbook of the same name written by Joanne Hendrick, Professor of Early Childhood Education Emerita at the University of Oklahoma.

2 – The Program for Infant/Toddler Caregivers (PITC) was developed by WestEd and the California Department of Education. A team of experts in child development, child care, adult education, and print and video production was assembled to work with national and state advisors to create this video production. The goal of the program was to develop meaningful training materials based on sound principles and proven practices. The materials were developed for both center-based and family day home providers and focus on caring for infants and toddlers.

To reserve the DVDs/videotapes for participation in either video series training program, please call your regional licensing office listed below.

CHILD ABUSE & NEGLECT ONLINE COURSE

Two FREE online courses are available for child care providers who are mandated reporters. Please visit www.dss.virginia.gov/family/cps/mandated_reporters/cws5691/index.html for more information. Successful completion of either course provides 2 clock hours of training credit and all are welcome to take EITHER course.

- *Child Abuse and Neglect: Recognizing, Reporting, and Responding for Educators* (CWS5691), designed specifically for teachers and delivered via web pages that include videos that are delivered by RealPlayer.
- *Mandated Reporters: Recognizing and Reporting Child Abuse and Neglect* (CWS5692), developed for non-VDSS employees and delivered in Flash without videos.

NATIONAL PROGRAM FOR PLAYGROUND SAFETY (NPPS) ONLINE TRAINING OPPORTUNITIES

NPPS offers online courses that target the needs of child care providers. Listed below are two options.

Early Childhood Outdoor Play Inspectors (ECOPI) is an interactive online course that gives child care providers, licensing consultants, administrators, and professionals from the health and safety disciplines the knowledge and understanding needed to inspect the outdoor play area for safety. Through pictures, discussion, readings, and assignments, participants will gain the experience needed to inspect the early childhood outdoor play environment. The National Association for the Education of Young Children (NAEYC) recognizes the ECOPI certificate to meet the Physical Environment 9.B.07 criteria.

- Length of Course – once coursework is begun, participants have up to four weeks to complete the course, which is self-paced
- Clock Hours – 12 hours
- CEUs – 1.2

Playground Supervision for Child Care Providers is an online course that gives child care providers the opportunity to learn supervision practices in an outdoor play environment. Through instructional videos, pictures, and written information, providers will learn new supervision techniques to implement in their facilities.

- Length of Course – Once coursework is begun, participants have up to two weeks to complete the course, which is self-paced.
- Clock Hours – 1 hour
- CEUs – 0.1

BETTER KID CARE FROM PENN STATE

Department of Defense-funded Online Training – Need a course fairly quickly? Better Kid Care Distance Learning provides online courses that are research-based and presented using adult learning principles. The Department of Defense is funding provider training in areas with high density of Guard and Reserve families. In partnership with the University of Nebraska – Lincoln and NACCRRRA, the DoD-funded training is available to Virginia licensed family child care providers or child care providers working in licensed facilities. Professional development credit hours will be offered and the cost is covered by the DoD. For providers not residing in designated high Guard and Reserve areas of the state, the training is available for \$5.00 per lesson. Courses range from 1-2 hour lessons on a wide variety of topics, including some for directors and instructors. Courses may be accessed by using this Web address: www.betterkidcare.psu.edu/page02a.html.

VIRGINIA CHILD CARE PROVIDER SCHOLARSHIP PROGRAM

VDSS provides the **Virginia Child Care Provider Scholarship Program** that pays for college tuition and technology fees for child care providers. The program pays for either a maximum of eight courses or the current maximum lifetime award, whichever comes first, at Virginia's institutions of higher learning, and is funded through the Federal Child Care and Development Fund. To obtain more information call 1-866-636-1608 or visit the website at: www.dss.virginia.gov/family/cc_scholarship.cgi.

EARLY CARE & EDUCATION RESOURCE DOCUMENTS

It is vital that we provide the necessary foundation for Virginia's young children so they can be successful in life. Consequently, two documents have been developed by the Virginia Early Childhood Alignment Project Task Force to serve as guides to assist adults in their important roles with young children.

The **Milestones of Child Development** document articulates a research-based set of child indicators and strategies for adults designed to support the growth and development of young children from birth to kindergarten entry. Providers can use the Milestones to:

- plan quality learning experiences for children,
- select appropriate curriculum materials,
- provide information to parents to facilitate their child's development, and
- explain how their program benefits and facilitates children's development.

The **Competencies for Early Childhood Professionals** document articulates standards for competent practice, identifying what early childhood professionals must know, be able to do, and care about to provide quality early care and education. Providers may use the Competencies to:

- identify staff training needs and develop or update training offered in-house to staff,
- develop an individual plan for professional development or a tool for tracking training,
- develop job descriptions, hiring practices, and salary structures, and
- support the professional credibility of staff receiving education and training that are based on the competencies.

To download these valuable documents, visit the website at: www.dss.virginia.gov/family/cc_professionals_resources.cgi.

VIRGINIA DEPARTMENT OF HEALTH, DIVISION OF PREVENTION & HEALTH PROMOTION

A FREE basic child passenger safety course for child care providers and other staff members is available through the Virginia Department of Health's Division of Prevention and Health Promotion. The 90-minute course is designed to give child care providers the basic knowledge of Virginia Child Passenger Restraint laws and information needed to properly restrain children during transport (e.g., type of seat needed based on child's age, height, and weight, proper placement in vehicle, etc.). In addition to requesting the training course, providers may also request to have a safety seat inspection for parents during pick-up of their children. To schedule a free class or safety seat inspection, or for more information, please contact Tobey Anne Allen at tobey.allen@vdh.virginia.gov or call (804) 864-7747.

VIRGINIA DEPARTMENT OF LABOR & INDUSTRY, DIVISION OF REGISTERED APPRENTICESHIP

Did you know that you can achieve a journeyworker's card in the field of Child Care? Registered Apprenticeship is a training system combining on-the-job training with child care related instruction. Many child care providers in Virginia are exploring this option as a way to enhance the training of current staff and bring new employees into the profession. Depending on each individual's circumstances, scholarship funding for some of the required coursework may be available through the Virginia Child Care Provider Scholarship Program. For more information about the Virginia Child Care Provider Scholarship Program, visit: www.dss.virginia.gov/family/cc_scholarship.cgi. Additionally, many of the classes in this catalog are already approved for credit toward an apprenticeship completion certificate. For more information about Registered Apprenticeship, contact this agency by email at: apprenticeship@doli.virginia.gov; call (804) 786-2382; or visit the agency website at www.doli.virginia.gov.

Additional Training Resources

VIRGINIA CHILD CARE RESOURCE & REFERRAL NETWORK (VACCRRN)

VACCRRN, a statewide network, works to ensure that high-quality child care is available and accessible to families throughout Virginia. VACCRRN network members are local child care resource and referral (CCR&R) agencies that provide services to families, early childhood professionals, and communities. VACCRRN agencies link families to information about selecting quality child care and maintain regional databases of providers that link families with child care options.

CCR&R agencies help child care providers maintain and improve quality of care by offering technical assistance and training in their local communities. Many member agencies have lending libraries

for toys, equipment, and resources to enhance learning opportunities. Training sessions are scheduled by each member agency to meet the needs of their local providers and are offered via distance learning, as well as individual and group class sessions. In addition to providing their own training topics, VACCRRN member agencies provide training for providers using curricula such as, Wingspan's AI's

Caring Pals for Family Child Care, ZERO TO THREE's Partnering with Parents: Preventing Child Abuse and Neglect*, The Center on Social, Emotional Foundations for Early Learning's Promoting Social and Emotional Competence*, Developing Your Family Child Care Business, and Dollars & Sense: Planning for Profit in Your Child Care Business.

VACCRRN training topics include:

AI's Caring Pals

- Strengthening resilience by:
 - listening to children
 - teaching and encouraging use of feeling language and kind words
 - valuing children's individuality
 - developing children's creativity
 - guiding problem-solving
 - involving children meaningfully in daily activities
 - communicating clear norms about healthy choices

Partnering with Parents: Preventing Child Abuse and Neglect

- Building Collaborative Relationships
- Early Brain Development
- Social-Emotional Development
- Understanding Temperament
- The Influence of Culture
- Understanding and Responding to Abuse
- Responses to Troubled Parents
- Challenging Behaviors

Promoting Social and Emotional Competence

- Promoting Children's Success
- Social-Emotional Teaching Strategies
- Individualized Intensive Interventions
- Leadership Strategies

Dollars & Sense:

Planning for Profit in Your Child Care Business

- The Provider Bill of Rights
- Contracts and Policies
- Rates, Fees, and Collection
- Effective Record Keeping
- Cash In, Cash Out
- Marketing Strategies
- Responsibilities of an Assertive Provider
- A Professional Business Plan

Scheduled training opportunities are listed on the VDSS TIPS Calendar at: www.dss.virginia.gov/family/cc_providertrain/tips.cgi.

To find the VACCRRN agency serving your community, contact VACCRRN at 1-866-KIDS-TLC (1-866-543-7852), or visit the website at: www.vachildcare.org.

Additional online training opportunities are provided by the National Association of Child Care Resource and Referral Agencies (NACCRRRA) at:

naccrra.smarthorizons.org/child-care-providers.html.

***NOTE:** Continuing Education Units (CEUs) are available for this training when completed through a VACCRRN member agency.

THE VIRGINIA INFANT & TODDLER SPECIALIST NETWORK

The **Virginia Infant & Toddler Specialist Network** strives to achieve excellence in early care by increasing the educational level and skills of those who care for infants and toddlers, whether in family homes or in centers. Through eight regional offices and 13 infant and toddler specialists, three levels of service are offered to those who care for children 0-36 months:

- on-site consultation, mentoring, and support for selected programs using quality improvement plans,
- training and technical assistance including webinars and audio-conferences to groups of caregivers/teachers and directors, and
- resources and linkages to existing professional development opportunities.

Please visit the Network's website at www.va-itsnetwork.org to obtain contact information about the infant and toddler specialist(s) in your area.

Four audio conferences will be provided statewide by the Network for infant and toddler providers beginning in September 2011. The audio conferences, provided quarterly, will address the following topics:

- **Working with InfantS and Toddlers with Disabilities**
Tuesday - September 27, 2011 - 1:00 p.m. – 2:00 p.m.
- **Sensory Integration Needs of Infants and Toddlers**
Wednesday, December 7, 2011 – 1:00 p.m. – 2:00 p.m.
- **Providing Family Child Care for Infants and Toddlers**
Tuesday, March 20, 2012 - 1:00 p.m. – 2:00 p.m.
- **Webinar – Quality Care Environments for Infants & Toddlers**
Friday, May 4, 2012 - 1:00 p.m. – 2:00 p.m.

In spring 2012, the Network will conduct four Celebrating Babies and Tots Institutes for early care providers who serve infants and toddlers. Institutes will be held in four regions of the state.

Information and details on the September audio conference will be available summer of 2011 and information on the Institutes will be available beginning January 2012 on the Network's Website.

The Virginia Infant & Toddler Specialist Network is a program of Child Development Resources, www.cdr.org, and is supported by the Virginia Department of Social Services (VDSS) Grant # 93.575, with funds made available to Virginia from the U.S. Department of Health and Human Services.

REDUCING THE RISK OF SIDS IN CHILD CARE

A FREE online course, entitled *Reducing the Risk of Sudden Infant Death Syndrome (SIDS) in Child Care!*, has been made available through the American Academy of Pediatrics (AAP) Healthy Child Care America. The course is designed to educate everyone who cares for babies, including child care providers, grandparents, health care professionals, babysitters, parents and relatives.

In one hour, participants will learn how to create a safe sleep environment to reduce the risk of SIDS and other sleep-related deaths. With an easy to use format, this course is available 24/7 from your home computer! Child care providers will receive a certificate of completion for 1.0 contact hour.

For information on how to access this FREE online course and for information and materials on how to reduce the risk of SIDS, visit www.healthychildcare.org/sids.html.

EARNED INCOME TAX CREDIT (EITC) PROGRAM

The **Earned Income Tax Credit (EITC)** is a tax credit for low-to-middle income individuals and families. An individual or family making as little as \$10 could qualify, but you must file an income tax return to receive it – even if the Internal Revenue Service (IRS) doesn't require filing for your income level. An individual earning up to \$13,460 a year or a family earning up to \$43,352 a year may qualify. If you qualify for EITC, you also qualify to have your taxes prepared for free at one of many free tax preparation sites - including many local social service offices at: www.dss.virginia.gov/localagency/. Call 1-800-906-9887 to find the tax preparation site closest to you.

The EITC Program is not widely known; therefore, please share this information with staff, co-workers, and families in your programs. For more information on the EITC Program, visit www.dss.virginia.gov/community/eitc.cgi.

VIRGINIA SMALL BUSINESS FINANCING AUTHORITY - CHILD CARE FINANCING PROGRAM

If you are a **regulated** child care provider, you may be eligible to apply for a low-interest rate loan through the Virginia Small Business Financing Authority's Child Care Financing Program. Loan proceeds can be used to meet or maintain child care standards or to make quality enhancements to a child care program (e.g., playground equipment, infant care equipment, necessary renovations or repairs to comply with Department of Social Services health and safety standards, buses for transporting children, and education materials). Financing for this program is provided by VDSS through Child Care and Development Block Grant funds. For more information, including application materials, eligibility requirements, etc., visit the Virginia Department of Business Assistance website at: www.vdba.virginia.gov, select "Financing" or call 1-866-248-8814.

NEVER SHAKE A BABY

With the goal of preventing Shaken Baby Syndrome (also known as Abusive Head Trauma) through education, VDSS provides a Web page dedicated to Shaken Baby Syndrome awareness, prevention, education, resources and assistance. Please visit the VDSS web page at: www.dss.virginia.gov/family/cps/shaken_baby.cgi.

1-2-3 READ! VIRGINIA

The **1-2-3 READ!** storybook-based curriculum is a research-based early literacy curriculum developed by Child Development Resources (CDR) that has been proven to result in children, birth to age 3 years, achieving significant, measurable gains in their language and cognitive development.

1-2-3 READ! is designed to build emergent literacy in infants and toddlers through a carefully planned set of experiences that lay the foundation for reading and writing success.

The **1-2-3 READ! Virginia Early Literacy Training** is an interactive, practical two-day training designed for you if you work with infants and toddlers in a group setting.

Who Should Attend?

Family/Home or Center-based caregivers who work with infants and toddlers (birth to 36 months) in group settings and who have not previously attended a 1-2-3 READ! two-day training. **Registration is restricted to individuals who have not attended 1-2-3 READ! training in the past.**

What Will You Learn?

- Strategies for expanding children's language through storytelling and one-on-one conversations
- How to select and use books and print materials with infants and toddlers
- How to infuse literacy activities within a child's daily routines
- How to use story props to engage infants and toddlers in early literacy experiences
- Strategies for involving families in literacy activities, and MUCH MORE!!!

What Will You Receive?

- A certificate of attendance that can be used toward continuing training clock hours required by the Virginia Department of Social Services
- *A Guide for Using the 1-2-3 READ! Curriculum Modules*
- Three curriculum module booklets and accompanying children's books
- Teacher Resource: *Story Stretchers for Infants and Toddlers: Experiences, Activities, and Games for Popular Children's Books*
- An opportunity to apply for follow-up on-site coaching and additional literacy materials

When And Where Is The Training?

Training during Fall 2011 will be held as follows:

- September 9 & 10 – Wytheville, VA
- September 16 & 17 – Stafford, VA
- September 24 & October 1 – Newport News, VA
- October 7 & 8 – Roanoke, VA
- October 8 & 15 – Norfolk, VA

For more information visit the **1-2-3 READ!** website www.123read.cdr.org or contact Lisa McKean (757) 566-2840 or lisam@cdr.org.

How Much Does It Cost?

\$15.00 per person. Each registered participant must attend both full days of the training. Once you register, your space is reserved and attendance is expected. **No refunds!**

1-2-3 READ! Virginia is a program of Child Development Resources (CDR), www.cdr.org and is supported by the Virginia Department of Social Services (VDSS) grant no. 93.575, with funds made available to Virginia from the U.S. Department of Health and Human Services.

Early Childhood and Child Care Professional Development Career Lattice

The lattice indicates the **minimum licensing requirements** for professionals employed by organizations regulated by VDSS. For those individuals who wish to pursue a position that is regulated by another federal or state authority, a higher level of qualification may be required. For example, Head Start requires 50% of teachers to have an Associate degree (Step VI) or higher, 100% to have a minimum of a 120-clock-hour credential (Step III). Also, some employers may require a higher level of qualification, e.g., 98% of teachers employed by the Virginia Preschool Initiative program hold a Bachelor degree (Step VII) or higher.
